EM Lyon
Big Data Analysis
Exam

Education : Master of Science DSAIS

School Year : 2022/2023

Date : 17/03/2023

Duration : 1h30

Description :

For the exam, you will only need to use Databricks Community Edition.

All documents and resources are allowed

Log in to your account on https://community.cloud.databricks.com/

Import the BigDataAnalysis_Exam.dbc notebook

Follow the instructions.

The exam consists of two parts :
Part 1 : Dataframes and files (/11)
Part 2 : Machine Learning (/9)

At the end of the exam, export the completed notebook, add your name to the file name (example : BigDataAnalysis_Exam_Esbelin.dbc) and depose it to Brightspace.
